

Skyfall Adèle (SMA)

This is the end
Hold your breath and count to ten
Feel the earth move and then hear my heart burst again.
For this is the end,
I've drowned and dreamt this moment.
So overdue, I owe them, swept away, I'm stolen

Let the sky fall when it crumbles,
We will stand tall, face it all together
Let the sky fall when it crumbles,
We will stand tall, face it all together
At sky fall (2x)

Skyfall is where we start a thousand miles and poles apart
Where worlds collide and days are dark
You may have my number, you can take my name
But you'll never have my heart.

Let the sky fall when it crumbles,
We will stand tall, face it all together
Let the sky fall when it crumbles,
We will stand tall, face it all together

Let the sky fall when it crumbles,
We will stand tall

Where you go I go, What you see, I see
I know I'd never be me without security
Of your loving arms keeping me from harm
Put your hand in my hand and we'll stand.

Let the sky fall when it crumbles,
we will stand tall, face it all together
let the sky fall when it crumbles,
we will stand tall or face it all together
at sky fall

Let the sky fall,
we will stand at the sky fall
at sky fall
